

Aurolux Backlit Solvent WF 150

■ glossy 3566 - 150 µm

Aurolux Backlit Solvent is a glossy coated, polyester backlit film for solvent inks. The front coating is uniform, tear resistant and allows a short drying time. The matt back coating optimizes the opacity of the film to get the ultimate color impression for day and night applications.

Applications

- Indoor Signs
- Indoor Short-term Promotions
- Outdoor Signage
- City Light Posters / Outdoor Light Box Displays

Advantages

- High glossy effects for eco- and true-solvent inks
- Night and day applications as frontprint
- Best scratch resistance
- Very resistant against mechanical exposure
- Suits even on high condensation water areas
